
Embrace New Technology

Investments in Online and IT Support

ISANS' previous investments allowed for a transition to mainly online operations

Staff Chose Accessible Platforms

Staff selected service delivery platforms that clients could access and were comfortable with

Staff had Online Supports

Staff had access to supports that helped them to adjust to using new technology

ISANS Offered Digital Literacy Orientations

ISANS' digital literacy orientations helped clients to improve their digital literacy and access online services

ISANS' Technology Library

ISANS began creating a technology library in the spring of 2021 from which clients can borrow tablets
